plus

 **zeewith**[®]

We feel proud for achieving a successful journey of 25 years of our brand **COOL HOUSE**  registered in 1996 and in celebration of the Silver Jubilee always we strive to upgrade the technology and quality of the products to the utmost satisfaction of our esteemed Dealers & Valued customers.

Starting with a small range of products in the year 1996 we have always looked forward to add new range of products as per the requirement of customers. Special thanks to our Esteemed Dealers and Valuable Customers for their continued feedback and helped to build more confidence.

We welcome you all to the world of wide range of **Fans** and **Geyser**. Advanced variety of design makes our product easily acceptable. Each of these products has been specially designed to enhance the overall experience and satisfaction of Customer at their premises.

Enjoy and feel the winds of Comfort with our complete range of fans. Our unique range will satisfy your individual needs and transform your premises into luxurious elegance class.

Our Commitment in providing quality products at reasonable price has led to the brand gaining popularity among many. To improve the competitive ability and top quality of goods, we ensure procuring the goods from professional industries working with skilled manpower and efficient machineries. A perfect quality control system is adopted to ensure best quality product from us.

The system is never ending process. Facing fierce market competition we lay great input on product development and market exploitation. Our aim is to provide best quality product.
