ABSOLUTE BEST MONEY CAN BUY!

The owning of luxury products is the aspiration of all today but, this luxury comes at a great expense and at most times some high-tech product features only end up with adding huge cost without much benefit.

Backed by over 6 decades of experience in consumer durable business **AFFORDABLE LUXURY** is the cornerstone of our product design. Luxurious looks, superior performance with a light feel on the pocket, we present **JOHNSON** for the discerning customer.

PRO SERIES
ENERGY SAVING

Products designed to make a difference, consuming less energy, reducing energy costs and minimising environmental impact we present **NEWGEN JOHNSON PRO SERIES**

A Sneak Peek into a world of **innovative** product designs that seamlessly integrate a **refined mix of finishes**, enhancing the elegance of your decor.

Flip the pages to explore our **premium selection of water heaters and fans.**
